COME EXPERIENCE LIGHT WITH US

Delta Light offers more than just an elegantly designed product, we also provide unparalleled support for every phase of the project, from the conceptual to the final stage of design and installation. And to ensure our customers receive the most from their Delta Light visit, we offer an inspirational experience coupled with in-depth education at our newly renovated Delta Light USA Showroom and the new Light Lab in Fort Lauderdale, FL.

The Delta Light USA facility is used as a center for inspiration and education, welcoming partners, specifiers, installers and end-users from all over the Continental US and the Caribbean to come and experience our lighting the Delta Light way.
